

Greetings,

As the new year is fast approaching, I would like to thank you for your continued support over this past year. Our youth are so fortunate to have such a variety of different interests that they can explore through our programs. Your donations help to keep these programs at an affordable cost to our participants, and even help with scholarships for those that can't afford a registration fee. In preparation for our winter season of activities, we would like to give your business a sponsorship opportunity.

The **Parade of Lights** will be held on December 7th in conjunction with other holiday events downtown. Every year, we put together and hand out goody bags for all the children along the parade route. Your business name will be included on a card inside the goody bags of holiday treats. We also hope that you can keep this Parade enjoyable to the community by entering a lighted float in the parade. Our **Youth Basketball FUNdamentals** is for students K-4th grade. We hand out your sponsored t-shirts to all the participants on their last day, along with a small token of achievement. The **Preschool Tumbling** is a great way for 3-5 year old children to burn some of that winter energy while improving their core strength, flexibility and coordination. Participants will receive shirts with sponsor names listed, along with a medal of achievement.

At this time, you may also donate to **Christmas Wishes**. Families with tight budgets, are invited to submit their children's clothing sizes and a Christmas Wish that can be fulfilled through this program. We work with Gamma Beta to help these families in need. This program is funded by local organizations, businesses and private individuals. Donations of any amount are appreciated.

As always, you can also sponsor the **After School Program**. This program is offered throughout the school year as a low-cost alternative for after school care. Children check-in after school and receive a nutritious snack, complete a craft project, participate in physical activities and have an opportunity to work on homework, play games and socialize in a safe and structured environment. Your donation will be used to purchase games, books, and craft supplies for children's use.

Your donations are always tax deductible and we can supply you with a receipt upon request. Thank you for your time and please feel free to call me if you have any questions. If you would like to be removed from our mailing list, please indicate on the sponsorship form or contact our office. Remember, our sponsorship forms are also available at www.falloncounty.net.

Sincerely,

Angie M. Rabbitt
