

Fallon County Parks announces that the road and parking lot at Iron Horse Park and south parking lot at Triangle Park will be closed to all motorize traffic on Thursday July 13th, and Friday July 14th. Road and parking lots will reopen Saturday July 15th at 10am.

The closure will accommodate chip seal work to the pavement. The ship sealing project will seal cracks and protect the road, and parking lots surface from water penetration.

The Splash Park, Skate Park, Pump Track will remain open normal hours during this time to waling in traffic only.

All visitors to Iron Horse Park will need to park on 6th Street SE, or Texas Ave. and walk into the park.

All visitors to Triangle Park will need to use the North parking lot.

Fallon County Parks would like to thank the public for their cooperation during this project and apologizes for any inconvenience.
