

Safety Committee Minutes

Date: January 16, 2018

Where: Small Conference Room

Present: Julie Straub, Stacey Moore, Debbie Wyrick, Dale Butori, Carla Brown, Kim Cuppy and Alba Higgins

We reviewed Safety Reports; no follow-up was required. Reviewed 2017 totals; reports of safety incidents was increased and workman's compensation claims decreased in comparison to previous years.

Old Business:

Labeling of electrical panels in the Courthouse is underway.

New Business:

- Discussion on departments conducting their own safety meetings; this was done in November. Consensus to continue with County Safety Meetings.
- SafetyFest is returning to Miles City, May 15-17, 2018. All Committee members are encouraged to attend. More information is forthcoming.
- Carla brought issue of curb stops at the Senior Center presenting as trip hazards. Discussion on purpose and alternatives including use of interstate dividers. Carla will discuss this issue with Baker Senior Center Board; she will report back at our next committee meeting.
- Discussion on emergency lighting systems; has been updated in the Courthouse. The Fairgrounds Exhibit Hall and Grandstands may need to have them installed; this will be referred to the Fairgrounds Manager.
- Annual training: discussion on alternatives for those who attended last year including departments reviewing pamphlet information and completing quizzes.

Our next meeting will be Tuesday, April 17, 2018 at 9:30 a.m. in the HR office.
